Travel Connections and Changing Trains

PlusBus is an add-on to your train ticket giving unlimited bus travel on most bus services around the whole urban area of your origin or destination.

We also have an additional range of **RailBus** tickets which provide onward travel by bus connecting you to specific towns outwith the rail network.

ScotRail also works with Scotland's ferry operators to provide combined **Rail & Sail** tickets.

We also carry **Cycles** free on all our services. Reservations for cycles are required on some longer distance routes and can be made by calling 08457 55 00 33.

In our timetables, connections are displayed in light italics and, unless otherwise shown, passengers should change at the previous / next train time shown in bold type. If you're changing trains please allow adequate time for your connection. A special cross-city bus service between Glasgow Queen Street and Glasgow Central is available free to valid ticket holders. Please note that trains may divide en route - check with staff that you are in the correct portion of the train.

For full information on travel connections, pick up our Travel Connections Guide at staffed stations, or visit www.scotrail.co.uk/travelconnections

Help us to make your journey as safe as possible

Ensure that you give yourself enough time to catch your train and never try to board or leave trains while doors are closing - and also remember to mind the gap when boarding and alighting. Please take the time to read the safety notices on-train and keep your luggage with you at all times.

Please note, all ScotRail services and covered areas of stations are non-smoking.
